### **Do I have to buy CISI Insurance?**

If your overseas trip is part of your study at UGA, you are required to carry the Group Insurance Plan through Cultural Insurance Services International (CISI).

### **Can't I just use my current insurance?**

No. Domestic insurance plans can be very difficult to use overseas and often require up-front payment prior to service with no guarantee of reimbursement. Also, they typically do not cover repatriation of remains, medical evacuation, and other travel risks.

### **What happens if I don't end up traveling overseas?**

If you purchase insurance and end up not traveling, you can receive a refund for any full remaining periods of coverage. If you think you need to cancel your plans, please contact the UGA Education Abroad at [goabroad@uga.edu](mailto:goabroad@uga.edu) prior to your scheduled departure date to ensure proper processing.

### **What happens if I come home early? Will I get a partial refund?**

Please contact the UGA Education Abroad at 706-542-2900 or via email at [goabroad@uga.edu](mailto:goabroad@uga.edu) to discuss your options.

### **Will the insurance cover my personal travel beyond the dates of enrollment?**

You will be covered under the UGA CISI plan for the dates of your program. If you would like to travel on your own before or after your program, you can purchase a separate CISI plan for those dates. You can do this from within the myCISI Participant Portal, which you will have access to once you are enrolled in the insurance through UGA.

### **How can I extend my insurance?**

If you need to extend your insurance, please contact the UGA Education Abroad at 706-542-2900 or via email at [goabroad@uga.edu](mailto:goabroad@uga.edu) to discuss your plans.

### **Can my parents enroll if they are coming to visit me overseas?**

The UGA Group Insurance Plan is only available to students, faculty, and staff participating in UGA-sponsored activities involving students. At this time, eligible dependents of participants can also sign up for coverage. Parents of participants are encouraged to purchase independent travel insurance for their trip. CISI sister company, Caremed Insurance, offers this type of coverage. Go to [www.caremed-travelinsurance.com](http://www.caremed-travelinsurance.com) for more information. This is just one of many companies offering such insurance.

### **I am a staff member and I am traveling on vacation or on a non-affiliated trip overseas. Can I enroll?**

The Group Plan is only available to faculty and staff members abroad on university-related travel. Faculty and staff members traveling for personal reasons are encouraged to purchase independent travel insurance for their trips.

### **I am a UGA Student and I am traveling on vacation or on a non-UGA affiliated trip overseas. Can I enroll?**

The Group Insurance Plan is intended to cover students for the dates of their study abroad program. Students needing coverage for personal travel beyond those dates or students taking personal trips that are not connected to their study abroad programs should contact the UGA Education Abroad to discuss their insurance options.

If you are a student on a non-affiliated trip overseas, you should speak to the UGA Education Abroad regarding your options. If the non-affiliated trip is educational in nature and does not provide insurance, you may still be eligible for the UGA Group Insurance Plan.

### **How do I know when I am enrolled?**

You should receive a confirmation email from CISI containing your enrollment information prior to departure. Depending on your email system and settings, there could be a slight delay in getting this information. Because of this, we strongly recommend that you visit the myCISI Participant Portal and set up an account if you do not receive information within 2 weeks of departure (see below details).

### **Can I access plan information on-line?**

The myCISI Participant Portal is your one-stop shop for information pertaining to your plan. To access the portal, go to [www.culturalinsurance.com](http://www.culturalinsurance.com), click on the green "Login to MyCISI" button and then Select "click here to create an account" under the "Create an Account" section. You will then be prompted to enter your name and birth date. Please note: The information you enter here must exactly match the information you provided during the enrollment process. Once entered correctly, you will be provided access to the site and will be able to create the password of your choice. Please make sure you add the page to your list of Trusted Sites.

### **The Participant Portal allows you to:**

- . Print your ID card;
- . View/print the policy brochure, claim form, and applicable consulate letters;
- . Find recommended doctors and country-specific information through the "Resources and Links" page;
- . Research up-to-the-minute travel safety information through the "Personal Security Assistance" link.

### **What do I need to do prior to departure?**

Participants with pre-existing conditions should make sure their conditions are under control prior to departure. Those taking prescriptions should arrange to bring the appropriate supply of medication with them before they leave, provided it is allowed into the country they are traveling to. Participants should check with their doctor and the appropriate embassy/consulate prior to departure to ensure that alternative arrangements can be made if needed. They can also reach out to Team Assist prior to departure for additional support if needed. Medication should be in its original container and accompanied by a doctor's note that lists any generic equivalents and explains the need for the medication. It should also always be packed in carry-on luggage for easy access by customs officials.

Prior to departure, participants will receive an insurance ID card that contains valuable information including the group policy number and emergency contact details. Participants should sign their ID cards after printing and keep in a safe place.

### **What if I need assistance while abroad?**

The CISI Team Assist plan was designed by CISI in conjunction with the assistance company to provide travelers with worldwide, 24-hour emergency telephone assistance service. Multilingual help and advice can be furnished for the insured person in the event of an emergency.

For all emergency situations, seek help without delay. It is important to then contact Team Assist as soon as possible so that a case can be opened and additional arrangements can be made in a timely manner if necessary. Team Assist will then work with the insured and CISI to make sure that the appropriate measures are in place for proper case management. Anyone can open up a case on behalf of an insured (overseas staff members, program administrators, parents, or friends of the insured are all acceptable options).

### **Once the call is made, Team Assist will:**

- Gather contact info for patient and nature of problem
- Establish contact with a treating MD (may require translator)
- Determine adequacy of care in overseas location as well as the short/long-term needs of patient
- Determine stability for travel if applicable
- Make all recommendations and arrangements

## **How do I reach Team Assist?**

If a participant requires Team Assist assistance, their ID number is the policy number. That policy number, along with important contact information, can be found on the front of all CISI insurance ID cards, under “Emergency Contact Info” on the “myCISI” Participant Portal, and on the claim form (which is part of the CISI insurance coverage brochure).

To follow is contact information for your reference:

### **Medical or Security Related Emergency Contact**

AXA Assistance:

(855) 327-1411 (toll-free from within the US)

(312) 935-1703 (from outside of the US, collect calls accepted)

medassist-usa@axa-assistance.us

### **Benefit or Claim (Non-Emergency) Contact**

To reach a CISI Claims Representative (9-5 EST M-F):

(800) 303-8120 ext. 5130 (toll-free from within the US)

(203) 399-5130 (from outside of the US, collect calls accepted)

claimhelp@culturalinsurance.com

## **Can I get advice on making calls from abroad?**

On your insurance ID card, you will see an 800 number and a standard phone number listed. The 800 number is for calls originating from the US. As a general rule, US-based 800 numbers can't be accessed from abroad because they are toll-free and typically blocked (these include any numbers beginning with 800, 866, 877, or 888). If you need to reach Team Assist from outside the US and have an international calling plan or Skype, you can dial the standard US phone number listed using the appropriate country code for placing an outbound international call. You can also place a collect call to Team Assist.

TIP: It is a good idea to practice placing a call to Team Assist from abroad once you arrive at your destination to ensure there will be no problems should an emergency occur.

## **What if I just have a pre-departure question or want to visit a doctor for a situation that is not an emergency? Do I need to call Team Assist?**

The myCISI Participant Portal contains valuable country-specific information that may help you in your pre-departure planning. Still need assistance? Team Assist can help with your pre-departure questions. When it comes to seeking treatment for common ailments, many students do not open up cases with Team Assist prior to visiting the doctor. Unless CISI has already pre-arranged for direct billing at a clinic in your city of study, you may be required to pay for visits out-of-pocket. This can often be avoided by opening up a case with Team Assist ahead of any visits. Team Assist can direct you to the appropriate facility based on your specific needs and can also arrange for direct billing whenever possible and at the discretion of the treating facility.

## **How do I submit claims?**

If you do pay a claim out-of-pocket, you can e-mail all itemized bills and receipts along with a completed claim form to: [claimhelp@culturalinsurance.com](mailto:claimhelp@culturalinsurance.com) (indicating that you are a CISI insured and referencing your policy number). The form is available through the MyCISI Participant Portal as well as from the Insurance page of the UGA GoAbroad Portal – [goabroad.uga.edu](http://goabroad.uga.edu). Once received, CISI then reviews it and as long as it is payable, will send reimbursement as a US dollar check to the your US address so that it can be deposited into a bank account for quick access from overseas via a credit or debit card. If you do not have a US-based address please include instructions as to where the reimbursement can be sent.

## **Am I required to go to certain “in-network” doctors?**

CISI does not have network restrictions. We endeavor to pay claims directly to all foreign providers whenever possible and will cover all eligible claims at 100%. CISI does provide support for students seeking qualified doctors. We maintain lists

of recommended doctors on our website and our assistance line is reachable 24 hours a day with comprehensive lists of doctors and hospitals all over the world.
